

Product data sheet for uvex phynomic x-foam

MADE IN GERMANY 

Manufacturer address

UVEX SAFETY Gloves GmbH & Co. KG
 Elso-Klöver-Str. 6
 D-21337 Lüneburg
 uvex-safety.de

The uvex phynomic series includes many different models and is ideally suited to all activities requiring a delicate touch. These safety gloves fit like a second skin and are particularly light and flexible, without making the hands sweat. A seamless break section is integrated into the fingers of the uvex phynomic x-foam HV, significantly reducing the tear resistance and thus hugely reducing the risk of serious hand injuries when using manually operated screwdrivers.

Characteristics

- Ergonomic fit
- Good grip
- Excellent abrasion resistance
- Very good tactile feel

Suitability for industrial work environments

- Suitable for dry and slightly damp work environments

Material number	60054
Sizes	6 - 12
